THE WORLD GAMES 2025 CHENGDU

Media Guide

Welcome Messages

Dear Members of the Media,

Dear Friends of The World Games,

It is with great pleasure that I welcome you to Chengdu for the 12th edition of The World Games. As accredited members of the media, you play an essential role in sharing the energy, passion, and stories of this extraordinary event with the world.

The World Games 2025 will bring together over 4,000 athletes from around the globe, competing across 60 dynamic sports disciplines. Yet, the Games are about more than just sport—they are a celebration of international unity, cultural diversity, and the unifying power of athletic achievement.

Your coverage brings the athletes' journeys to life, highlights the spirit of competition, and connects audiences everywhere to the heart of The World Games. Through your work, you help inspire future generations and bring global attention to these unique and diverse sports and the values they represent.

We are immensely grateful for your dedication, professionalism, and partnership. The success of The World Games relies in no small part on your ability to capture its most meaningful moments and

share them with the world.

To the city of Chengdu and our Chinese hosts, thank you for providing a welcoming and vibrant backdrop for these Games. Your preparations have ensured that both participants and media will experience an unforgettable event.

We look forward to the stories you will tell and the moments you will capture. May your time in Chengdu be productive, inspiring, and enjoyable.

Yours in sport,

José PERURENA

International World Games Association President

Dear friends,

The World Games 2025 will be held in Chengdu in August 2025. On behalf of TWG 2025 Chengdu LOC, the General Administration of Sport of China, and the Chinese Olympic Committee, I would like to extend our warmest welcome and sincere greetings to the International World Games Association, International Sports Federations, and all participating NOCs / NSOs.

The World Games is a top-level international event dedicated to non-Olympic sports. The successful hosting of TWG 2025 Chengdu is of great significance in further promoting the development of non-Olympic sports, advancing the concept of sustainable development, driving world peace and development through the means of sports, and enhancing human solidarity and friendship. It also plays an important role in building the community with a shared future for mankind.

Now Chengdu is adequately prepared to carry out its Games-time operation. To deliver TWG 2025 Chengdu with a “green, inclusive, open, and clean” approach according to the requirement of presenting a “simple, safe and splendid” event, we will provide professional, thoughtful and convenient services to all participants, thus creating a platform for them to showcase themselves, pursue excellence, and communicate with and learn from one another. We are convinced that TWG 2025 Chengdu will turn out to be a spectacular sports gala that highlights Chinese characteristics and the style of our era. We also believe you will surely have an

unforgettable stay in Chengdu.

We wish all athletes the best of luck in putting in excellent performance in TWG 2025 Chengdu. We are looking forward to seeing you in the beautiful city of Chengdu!

GAO Zhidan

Minister of the General Administration of Sport of China

President of the Chinese Olympic Committee

President of the Organising Committee of TWG 2025 Chengdu

Dear friends,

From 7 to 17 August, The World Games 2025 Chengdu (TWG 2025 Chengdu), a top-level global multi-sport event for non-Olympic sports, will be held in Chengdu, the capital city of Sichuan Province. It is another major international sporting event, following the Chengdu FISU World University Games, to be held in Chengdu. As the host, we would like to extend our warmest welcome to athletes, coaches, technical officials, and friends worldwide to gather in the city and celebrate The World Games together.

We look forward to setting out on an amazing sport journey with you. Given the fact that it is the first time for The World Games to be held on the Chinese mainland, Chinese government attaches great importance to TWG 2025 Chengdu. The IWGA and relevant IFs have provided us with considerable support. Functional departments from Sichuan Province and other stakeholders have been working tirelessly to advance the preparations for the event in a high-standard and high-quality manner. In an effort to materialise the vision of delivering a “green, inclusive, open, and clean” event, we are committed to satisfying the requirements in hosting a “simple, safe, and splendid” sporting event. With cutting-edge venues and facilities, professional event organisation, and high-quality Games services, TWG 2025 Chengdu will surely turn out to be an exceptional celebration of sport, one that meets international standards and showcases Chinese characteristics and Bashu

cultural elements. Sweat is the fuel that powers champions. During Games time elite athletes from around the globe will compete against each other in 256 medal events, push their limits, make dreams come true and live up to the ideal of “Faster, Higher, Stronger – Together”.

We look forward to setting out on an amazing friendship journey with you. Sport is widely regarded as a “universal language” that transcends national borders and a strong bond that cultivates beautiful friendships among peoples. With the slogan of “Boundless Sports, Countless Wonders”, TWG 2025 Chengdu is designed to highlight innovation, delightfulness and competitiveness, and promotes true sportsmanship that values positivity, pursuit of excellence, fair play, and teamwork. Taking sports as a bridge for communication, we seek to deepen exchanges and mutual learning among nations and regions, join hands to build a community with a shared future for mankind, and work together to create a brighter tomorrow through our collaborative efforts. We will set up more platforms to facilitate sports and cultural exchanges, and organise TWG Plaza, Athletes’ Night and other cultural activities, so as to help Games participants from around the world grow friendship, enhance mutual understanding, and achieve broader consensus and greater momentum for social development and the progress of humanity.

We look forward to setting out on a memorable journey of culture and tourism with you. Sichuan is

best known for its captivating landscapes and diverse cultures. It is not only the hometown of giant pandas, but also a globally significant biological gene repository. The five UNESCO World Heritage sites, including Jiuzhaigou Valley, Mount Qingcheng and the Dujiangyan Irrigation System, the time-honoured Sanxingdui civilisation and Jinsha civilisation, and the culturally well-known landmarks such as the San Su Shrine, Wuhou Shrine, and Cuiyun Corridor, all reflect Sichuan's charisma as a "Land of Abundance". By adhering to the fundamental principle of "Organising Sport Events, Branding the City, Boosting the Industries, and Benefiting the People", we will develop diverse cultural and tourism products for friends from across the world. Here, you will be provided with ample opportunities to enjoy Sichuan's natural beauty and rich cultural heritage, fully appreciate the distinctive allure of Chengdu as a park city blessed with snow mountains and brimming with happiness, and experience and share the multifaceted manifestations of the Chinese path to modernisation.

We look forward to seeing you in Chengdu, Sichuan this August!

SHI Xiaolin

Governor of the People's Government of Sichuan Province
President of the Organising Committee of TWG 2025 Chengdu

Dear friends,

The World Games 2025 Chengdu will be held in August 2025. On behalf of Chengdu Municipal People's Government and the over 21 million hospitable citizens, I would like to extend our warm welcome to the athletes, technical officials, NOCs/NSOs officials, friends from the press and distinguished guests worldwide. I would also like to show my heartfelt gratitude to people from all walks of life who care about and support the preparations for TWG 2025 Chengdu.

President XI Jinping once said, "This historical and cultural city has long been a hub of exchanges connecting China to the rest of the world, like a pearl on the southwestern Silk Road. Today, Chengdu is one of the most dynamic and happiest cities in China. Thanks to its inclusiveness, the city has continued to prosper economically and thrive culturally since it was founded over 2,300 years ago."

Chengdu is home to giant pandas, China's national treasure. Renowned as the "Land of Abundance", it features natural beauty and pleasant weather. It is suitable for sports all years round and has a long-standing history of sports culture and a continuous stream of sports fashion. In recent years, Chengdu has made great efforts to build itself into a world-famous city of sports events. To this end, it has completed 31 large-scale sports venues, 52 sports parks, nearly 9,000 kilometres of city greenways, and 69,000 sports venues and facilities. It has successfully hosted major international sports

events such as the Chengdu FISU World University Games and BWF Thomas & Uber Cup Finals 2024. It has also cultivated its own sports event brands like Chengdu Marathon and Chengdu Tianfu Greenway International Cycling Race of China, and attracted 9.7 million citizens to engage in sports frequently. Chengdu has continuously improved its facilities, accumulated experience, and enhanced its capacity to host major sports events. The atmosphere for hosting such events in this city is becoming increasingly intense.

We are making and will continue to make every effort to prepare for an event with a “green, inclusive, open, and clean” approach according to the requirement of presenting a simple, safe and splendid event. By organising this sports event, our aim is to brand the city, boost the city’s industries and bring benefits to the citizens. With top-class venues and facilities, professional sports organisation, quality services, as well as diverse and abundant cultural experience activities, we will make efforts to deliver a unique and splendid sports gala to the world.

We are looking forward to meeting you in Chengdu, a park city blessed with snow mountains, brimming with happiness, and booming with innovation. Let’s enjoy The World Games 2025 Chengdu together.

WANG Fengchao

Mayor of Chengdu Municipal People’s Government

Vice President of the Organising Committee of TWG 2025 Chengdu

1 About TWG 2025 Chengdu

1.1 About Chengdu

Chengdu is the hometown of the Giant Panda and enjoys over 4,500 years of civilisation history and more than 2,300 years of history as a city, manifesting a perfect mixture of history, culture and modernity. Being the capital of Sichuan Province, a central city in southwest China and a national historical and cultural city, Chengdu covers an area of 14,300 square kilometres and has a permanent population of 21.47 million, which has turned it into a megacity known to the world. The city has been identified as an important centre of economy, science and technology, finance, cultural creativity, and international exchanges in western China, and a national advanced manufacturing base.

Today's Chengdu values opening up with global vision. In total, 23 countries have been approved to establish consulates in Chengdu. And the city has established sister-city and friendship city relations with 114 cities around the world, and trade relations with 235 countries/regions worldwide. Following Shanghai and Beijing, Chengdu is the third city having two international airports on the Chinese mainland, following Shanghai and Beijing, and the 19th city with two 4F airports in the world. So far, the city has operated 81 regular international and regional flight routes, covering both passenger and freight services. In addition, it is linked to 123 overseas cities through its international freight train services.

Chengdu has been awarded the City of Gastronomy by UNESCO for its world-renowned Sichuan cuisine, great variety of delicious street food, and tasty spicy hot pot. It is also designated by UNWTO as China's Best Tourism City. Chengdu has successfully held the Chengdu FISU World University Games, the 81st World Science Fiction Convention, the Thomas & Uber Cup Finals 2024, the ITTF Mixed Team World Cup, and the Chengdu Marathon, among other major international events. Currently, Chengdu is actively shaping the brand of “A Park City Brimming with Happiness” and accelerating the building of a world-renowned cultural tourism city and an international consumption centre through cultural enrichment, business development, tourism promotion, and sports cultivation. By deeply integrating culture, commerce, tourism, and sports, the city aims to promote high-quality development, thereby writing a new chapter of Chinese modernisation in Chengdu.

1.2 Logo, Mascots and Slogan

1.2.1 Logo

On 17 May 2024, the International World Games Association (IWGA) and Chengdu ExCo officially unveiled the logo of TWG 2025 Chengdu. The logo design is inspired by the giant panda, hibiscus flower and Chinese knot, using the colours including Chinese Red, Jinsha Yellow, Park Green, Panda Black and Snowy White. As a crucial symbol of TWG 2025 Chengdu, the logo effectively conveys the Olympic spirit, showcases the traditional Chinese elements and the characteristics of Chengdu, and highlights the values of “Unity, Inclusiveness and Diversity”.

Figure 1

1.2.2 Mascot

The mascots of TWG 2025 Chengdu are “Shu Bao” and “Jin Zai”, modelled after two treasures of Sichuan—the giant panda and the Sichuan golden snub-nosed monkey. The giant panda is the best-known animal of Chengdu, and the Sichuan golden snub-nosed monkey is full of vigour and vitality. These two treasures are expected to showcase the image of Chengdu as a liveable and hospitable city and call on everyone to cherish rare animals and protect biodiversity.

The names of the mascots are inspired by “Shu Jin (Shu Brocade)”, with “Shu” and “Jin” as the first word of their names, respectively. The second word of each name captures the well-known feature of the giant panda and the Sichuan golden snub-nosed monkey. The giant panda is known for its loyalty and integrity under its cute and fluffy look and is therefore named “Bao” (meaning “baby”). The Sichuan golden snub-nosed smart, brave, and bouncy. So, it is named “Zai” (meaning “youth”).

“Shu Bao” and “Jin Zai” give expression to Chengdu’s unique charm. As the ambassadors of cultural exchange, they will start from Chengdu, embark on a journey to tell the story of Chengdu world-wide and make the message from Chengdu heard by the world. They will bridge Chengdu and the world, so that the spectators from across the globe can enjoy the sports gala held in Chengdu while savour the city’s infinite vigour and boundless glamour.

Figure 2 SHUBAO and JINZAI

1.2.3 Slogan

“Boundless Sports, Countless Wonders”, the slogan implies that Chengdu is a land of promise where tradition and modernity coexist harmoniously. The city presents a delightful contrast between the fast pace of a metropolis and the residents’ slow lifestyle. Moreover, the leisurely atmosphere in its streets and lanes complements the competitive spirit of sportsmanship. Sports, like a dazzling spark, ignite the infinite potential and possibilities of this city, making happiness prevail in this land of countless wonders.

In particular, “Boundless Sports” refers to the infinite possibilities of sports spirit, inspiring every athlete to challenge themselves and push beyond their limits. “Countless Wonders”, on the other hand, showcases Chengdu’s harmonious lifestyle that balances urban dynamism with leisurely living, and traditional charm with modern vitality. It also conveys the hope that visitors from around the world can experience not only the intense competitions but also the city’s unique philosophy of life and its people-oriented culture.

The slogan encapsulates the love for sports of the people around the world and their recognition and fondness for Chengdu. It embodies not only the fruit of collective wisdom, but also a shared

intellectual resonance and a thriving force that is commonly supported by the public, vividly interpreting Chengdu's passion for sports and its attitude towards life.

3 Sub-Media Centre (SMC)

3.1 About SMC

During TWG 2025 Chengdu, Sub-Media Centres (SMCs) will be established at each competition venue to provide accredited media with the necessary facilities and services for reporting on the Games within the venues. The SMC generally operates from 1 hour before the start of first competition until 1.5 hours after the end of last competition in the venue on daily basis. The operating hours may be extended due to delays caused by competitions, medal ceremonies, and press conferences.

3.1.1 Media Workroom

The Media Workroom will be equipped with desks with power outlets and wired and wireless internet access, televisions for watching live broadcasts of competitions, and INFO terminals for printing and photocopying. These desks will be provided on a “first come, first served” basis.

3.1.2 Press Conference Room

Press Conference Rooms are provided at some competition venues to facilitate interviews with athletes, coaches, and officials.

3.1.3 Press Tribune

The accredited media can watch the competitions from the tabled and non-tabled press tribune. Desks at the tabled press tribune, which will be available at some competition venues, are equipped with power outlets and access to wireless internet. Aside from reserved seats, other seats will be provided on a “first come, first served” basis.

3.1.4 Mixed Zone

The mixed zone will be located close to the field of play to facilitate post-competition interviews with athletes.

3.1.5 Photo Position

Photo positions will be set at each competition venue. Except for photographers from photography agencies officially recognised by the International World Games Association (IWGA) and TWG 2025 Chengdu, other photographers should use the photo positions on a “first come, first served” basis.

3.1.6 Media Lounge

Media lounge will be set at each SMC to provide a dining and rest area for all accredited media. In the lounge, both complimentary refreshments and paid food will be provided.

3.1.7 Results Bulletin

Printed results bulletins are not available during TWG 2025 Chengdu. Please check the results via the INFO system and print the results using the dedicated computers in the Media Workroom.

3.1.8 Video Shooting

Apart from the Host Broadcaster (HB) and Rights Holder (RH), no other media (including photographers from NOCs, NSOs, IFs, and those accredited as AS category) is authorised to live stream or record ongoing competitions in any area.

Canoe Marathon: The Canoe Marathon features events of K1 Men Long Distance, K1 Women Long Distance, K1 Men Short Distance, and K1 Women Short Distance. It combines flatwater paddling with portages where athletes carry their boats over land. Courses are covered in laps with several portages.

Dragon Boat: The Dragon Boat sport originated in China and has been featured three times as an invitational sport in The World Games. It is recognised as an official TWG sport at TWG 2025 Chengdu. Dragon Boat at TWG 2025 Chengdu features six events, covering distances of 200 metres, 500 metres, and 2,000 metres. Each participating team consists of 12 athletes.

Figure12

Parkour: It is an emerging urban outdoor sport. At TWG 2025 Chengdu, it features four events: Parkour Speed Men, Parkour Speed Women, Parkour Freestyle Men, and Parkour Freestyle Women. In the Parkour Speed events, two athletes race simultaneously on two parallel, identical courses. The time from start to finish is continuously measured. The athlete with the shorter time is declared the winner. In the Parkour Freestyle events, athletes make use of the obstacles to show off their style and creativity within a set time.

Duathlon

Address

Hubin Plaza, Xinglong Lake, Tianfu New Area

Figure14

Duathlon: As a discipline under Triathlon, Duathlon has a running leg, followed by a cycling leg, and then another running leg. In the Individual events, athletes first cover a 5km run, then a 30km cycling stage, and finally a 5km run. Rankings are determined based on the time taken to complete a race. In the Duathlon 2×2 Mixed Relay event, a team is composed of 2 athletes: 1 man and 1 woman. Each athlete will complete the short-distance duathlon, comprising a 2km run, a 6km cycling stage and a 1km run, for two times. The exchange is completed by the in-coming athlete, using their hand to contact the body of the out-going athlete within the relay zone. The team finishing the competition in the shortest cumulative time is declared the winner.

Beach Handball / Beach Korfball

Address

North-Shore Beach, Xinglong Lake, Tianfu New Area

Figure16

Beach Handball: It is a non-contact team sport played outdoors in sand, giving a fine ‘summer beach’ atmosphere. In many ways it’s like indoor Handball. On sand, players rely on quick passes and creative plays to score points, often with impressive acrobatic moves like jumps, spins, and alley-oops.

Beach Korfball: Korfball is a mixed-gender team sport where men and women play together. The objective is to score goals by throwing the ball into the opposing team’s korf, of which the top edge is 3.5m above the ground, without a bottom, from any angle. Beach korfball is included in TWG programme for the first time at TWG 2025 Chengdu. Although there are some differences in the rules, Beach Korfball and Indoor Korfball are highly similar.

3.4.3 Access Policy for Opening and Closing Ceremonies

Accredited media who have been invited to attend the opening and closing ceremonies must hold their Accreditation Cards and a Supplementary Pass.

The list of media invited to attend the opening and closing ceremonies will be jointly decided by IWGA and Chengdu ExCo.h.

3.4.4 Transportation for Opening and Closing Ceremonies

On the days of the opening and closing ceremonies, Chengdu ExCo will provide dedicated transportation services for media attending the ceremonies. Shuttles will operate between MMC and the venues. The specific schedules will be released before the ceremonies.

3.4.5 Media Facilities at Venues of Opening and Closing Ceremonies

In the SMCs at venues of opening and closing ceremonies, there are operational areas such as Media Workroom, Media Lounge, Press Tribune, and Photo Positions.

4 Photo Services

4.1 Photo Services and Photographers

During TWG 2025 Chengdu, photo services will be provided for accredited photographers at MMC and all competition venues to assist them in taking photos of the highlights. For information regarding photo positions at each venue, please refer to Section 3, “Sub-Media Centre (SMC)”.

Photographers from NOCs/NSOs and IFs must follow the photography policies stipulated in this section, just as accredited photographers do.

4.1.1 Technical Support Hotline

Photographers must personally complete and sign a Photographer Undertaking before collecting their photo vests.

4.1.2 Supplementary Access Control Device (SACD)

Photographers can collect SACD, namely, the photo vest, at MMC with their Accreditation Cards. The photo vests must be collected and held in person by accredited photographers and cannot be collected by others or transferred to a third-party user. In principle, photo vests will not be replaced if lost.

Photographers must wear their Accreditation Cards and photo vests to access photo positions in the competition venues.

In some competition venues, limited POOL photo positions are reserved for photographers from photography agencies officially recognised by IWGA and Chengdu ExCo. They need to wear a POOL photo vest to gain access to the POOL photo positions.

4.2 Briefing for Photographers

Before the opening and closing ceremonies, Photo Services Team will introduce the photography operations and services for the opening and closing ceremonies to accredited photographers. The time and place of the briefing will be published at MMC.

4.3 Photo Services at Main Press Centre

The Media Workroom, located on the first floor of MMC, will provide complete facilities and services for photographers. For

more information on MMC, please refer to Section 2, “Main Media Centre (MMC)”.

4.4 Photo Services at Competition Venues

4.4.1 Photo Position

To facilitate photographers in capturing the wonderful moments of TWG 2025 Chengdu, photo positions are set in each competition venue.

All photo positions except those reserved for POOL photographers are provided on a “first come, first served” basis.

Since some photo positions are close to FOP, photographers can only enter and leave the positions at designated times. They can only change the photo positions in FOP during breaks in the competition.

Photographers should not obstruct the view of other journalists when shooting from the press tribune.

4.4.2 POOL Photo Position

There are POOL photo positions at some competition venues. These positions are available only for photography agencies officially recognised by IWGA and Chengdu ExCo. Photographers must wear the POOL photo vests when shooting at these positions.

4.4.3 Photography of Award Ceremony

Most medal ceremonies will be held in FOP, and only a limited number of photographers will be permitted to enter this area to take photos. If any accredited photographer wishes to cover the medal ceremony, please contact the Venue Media Operations Team in advance.

4.4.4 Application and Installation of Remote-Control Cameras

Some competition venues allow photographers to install remote-control cameras; however, in principle, only photography agencies officially recognised by IWGA and Chengdu ExCo are permitted to do so. Applications for the installation of remote-control cameras must be submitted in advance to Photo Services Team at MMC. Photographers must bring their own certified camera installation equipment and ensure that the installation is safe, stable, and reliable. They should also assume full responsibility for any damage to or loss of the cameras. The Photo Services Team has the authority to determine whether the remote-control camera installation is safe.

The installation of remote-control cameras within FOP must follow international practices for each sport, and the installation and removal can only take place during breaks in the competition and under the supervision of the venue media operations staff.

4.4.5 Application and Installation of Catwalk Remote Control Cameras

At TWG 2025 Chengdu, only remote-control cameras are allowed to be installed on catwalks. In principle, only photography agencies officially recognised by IWGA and Chengdu ExCo are permitted to do so. Catwalk remote-control cameras are only allowed in some venues. Photographers should submit an application for the installation of such cameras to the Photo Services Team at MMC before the competition. At competition venues, photographers need to submit a catwalk remote-control camera installation plan to the Venue Media Operations Team 24 hours in advance and sign the relevant agreements.

The catwalk remote-control cameras must be installed according to the most stringent safety standards: (1) photographers are only

allowed to install and remove the cameras at the designated times at each competition venue; (2) photographers must enter and exit the catwalk only when they are accompanied by venue media staff; (3) before entering the catwalk, photographers must remove any items that could potentially fall; and (4) the Photo Services Team and the media staff at each competition venue will confirm the installation of catwalk remote-control cameras and have the authority to cancel any non-compliant installations or those deemed a safety hazard.

The installation of underwater remote-control cameras requires an application in advance at MMC. Photographers intending to install such cameras must hold a diving certificate recognised by the Professional Association of Diving Instructors (PADI) and must provide their own certified self-contained underwater breathing apparatus (SCUBA).

4.4.6 Photography Notes

During the competition, flashing lights or strobe devices are prohibited in all competition venues.

Photographers are not allowed to use tripods at any photo position; however, monopods can be used.

Step ladders are not permitted at any photo position.

Photographers are not allowed to secure photo positions by using photography equipment or bags, and they must take all belongings with them when they leave the photo positions.

Large camera cases or suitcases are not permitted in the photo positions and should be stored in the Media Workroom.

Due to the proximity to FOP, photographers should abide by the dress code, avoiding unusual attire or any clothing with prominent advertising logos.

Photo vests should be worn at all times in competition venues.

5 Information Services

5.1 Overview

The INFO team will serve as the “official news agency” for TWG 2025 Chengdu, providing accredited media with information services, including text and images in both Chinese and English to assist them in completing their interviews. However, the provided information must not be used for commercial purposes

5.2 Content

INFO content for TWG 2025 Chengdu covers daily competition information, as well as details about the opening and closing ceremonies and other major events. The information is categorised as follows:

Background information: Information about TWG 2025 Chengdu, competition venues, sports, and participating teams.

Sports information: Competition Schedule, format and competition rules, results, athletes lists, statistics, etc.

Sports news: Previews and reviews, flash quotes, summaries of important press conferences, and media announcements.

Medal table: Overall medal table, daily medal table, and sport-specific medal table.

Opening and closing ceremonies: Schedule, information, and news

regarding the opening and closing ceremonies.

6 Media Services

6.1 Accreditation

6.1.1 Accreditation Card and Special Passes

6.1.1.1 Accreditation Card

The Accreditation Card is the official credential for TWG 2025 Chengdu, used to identify the holder's role and corresponding access rights. Cardholders must wear their Accreditation Cards at all times in venues or areas as required. Holding an Accreditation Card does not imply that accredited media can access all areas for interviews; special areas, such as photo positions and SMC at venues of opening and closing ceremonies, will require additional access controls, such as photo vests, media passes, special passes for the opening and closing ceremonies, and tickets.

6.1.1.2 Guest Pass and Upgrade Card

There is one type of guest pass available, the MMC/IBC Guest Pass. It is for non-accredited persons who are invited to visit MMC/IBC. When this pass is used, the pass holder must be accompanied by a person from the inviting or processing party at all times.

There is one type of upgrade card that varies in design based on the venue where the upgrade card is used, such as competition venues, TWG Village, and MMC/IBC, and must be used in

conjunction with the Accreditation Card.

6.1.1.3 Loss, Theft, or Damage of Accreditation Card

In the event of the loss, theft, or damage of an Accreditation Card, accredited media must promptly visit the Media Accreditation Centre at MMC to apply for a replacement. The person reporting the loss must complete the Problem Handling Form and present a valid identity document. If the photo or personal information on the Accreditation Card is unclear to the point of being unrecognisable or if the access unrecognisable or if the access control system cannot read the card, the cardholder should visit the Media Accreditation Centre to replace the Accreditation Card.

6.2.1 Services

At the Official Points of Arrival and Departure (Chengdu Tianfu International Airport, Chengdu Shuangliu International Airport and Chengdudong Railway Station), 24-hour arrival and departure services will be provided for accredited persons arriving in/departing from Chengdu. There will be service desks and pick-up points set in the Official Points of Arrival and Departure.

6.2.2 Arrival Services

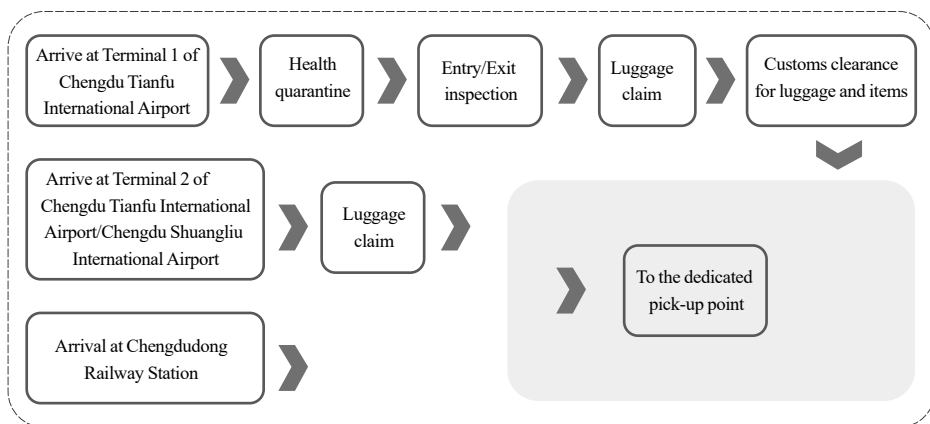

Figure105

6.2.3 Departure Services

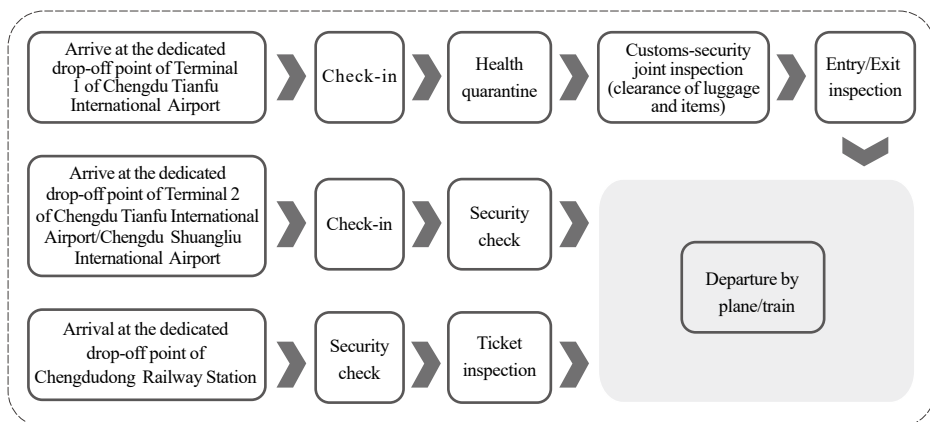

Figure106

6.3 Transportation

The following transportation services will be provided for accredited media (Transportation Code: TM) during TWG 2025 Chengdu:

- Arrival and departure transportation services between the Recommended Media Hotels and Chengdu Tianfu International Airport, Chengdu Shuangliu International Airport, and Chengdudong Railway Station;
- Transportation services for the opening and closing ceremonies between the venues of opening and closing ceremonies and MMC;
- Shuttle services between Tianfu International Hotel Complex (Rongxiu Courtyard and Rongya Courtyard) and MMC;
- Shuttle services between MMC Shuttle Bus Station and TWG Village Zone B Shuttle Bus Station: departing every 15 minutes (peak period) or every 45 minutes (off-peak period);
- Games-time transportation services between competition venues and MMC and TWG Village Zone B;
- Shuttle buses travelling to and from between MMC and TWG Plaza.

6.4 Accommodation

The Recommended Media Hotels for TWG 2025 Chengdu are the Tianfu International Hotel Complex (Rongxiu Courtyard and Rongya Courtyard) and the Grand Mercure Chengdu East.

These two hotels offer rooms at different star service standards and different prices, allowing accredited media to choose according to their preferences, at their own expenses.

Hotel services:

A Media Information Desk is set at the lobby of each hotel to

provide inquiry services for accredited media.

The services will be provided from 5 to 18 August 2025. During this period, these two hotels will only be open to accredited media.

6.5 Catering

Catering services for accredited media include:

MMC: Refreshments and drinking water are provided.

Media Dining Hall at MMC

- Meal supply: Paid buffet lunch and dinner
- Location: 1F, Grand Mercure Hotel East
- Period: 4-17 August 2025
- Dining procedure: Accredited media must purchase meal vouchers in advance at the Media Dining Hall at MMC. On the day of dining, they must present their Accreditation Cards and meal coupons to dine at the Media Dining Hall.
- Price: CNY 40 / meal

SMCs: At competition venues, refreshments and drinking water are provided. Paid meals are also available but must be ordered

one day in advance through the SMCs.

Recommended Media Hotels: Free breakfast in the room rate, or paid meals.

6.6 Technology

6.6.1 Technical Support Hotline

A Technical Services Desk is set up on the first floor of MMC, primarily responsible for addressing technical issues such as Wi-Fi connection and printing.

6.6.2 Games-time Communications Services

Mobile networks available in the Chinese mainland include 5G (NR TDD) and 4G (TD-LTE and FDD-LTE). These networks cover all competition venues, venues of opening and closing ceremonies, TWG Village, MMC, IBC, and other venues and event sites. Reliable mobile communications services are available for the media as long as they have mobile terminals compatible with the above-mentioned networks and valid UIM or SIM cards. Overseas participants that need to use their own SIM cards must ensure their mobile phones are compatible with the above-mentioned mobile networks and that their service providers have roaming services in China and the roaming services have been activated.

6.6.3 Games-time Internet Services

During TWG 2025 Chengdu, free wired and wireless internet access will be provided in the media areas for accredited media.

The internet service provided by Chengdu ExCo will feature a shared bandwidth for a venue.

6.6.4 Instructions for Wired Internet Connection:

Step 1: Connect the Ethernet cable to your device at MMC or any competition or non-competition venue, which will automatically obtain an IP.

Step 2: A Web authentication page pops up. Enter your username and password. You will gain access to the Internet once your identity is verified.

Note: After a successful first-time login, you can access the wired Internet connection in MMC and any competition or non-competition venue with the same device without repeating the authentication process.

6.6.5 Instructions for Wireless Internet Connection:

Step 1: Within the Wi-Fi coverage in MMC or any competition or non-competition venue, find the SSID of the Wi-Fi connection, and enter the Wi-Fi password to connect.

Step 2: A Web authentication page pops up. Enter your username and password. You will gain access to the Internet once your identity is verified.

Note: After a successful first-time login, you can access the Wi-Fi connection in MMC and any competition or non-competition venue with the same device without being required to repeat the authentication process.

6.6.6 Radio Frequency Management

Domestic and overseas users who need to set up and use radio stations and radio transmitting equipment in venues and special control areas shall submit an application for the “Radio Frequency License for The World Games 2025 Chengdu” (“Frequency License”) via the official TWG 2025 Chengdu email address for frequency application (FrequencyApplication@theworldgames2025.com). If foreign heads of states, foreign embassies and consulates

in China, and other overseas users with diplomatic privileges and immunity need to use radio frequencies and radio transmitting equipment, they shall submit an application to the Radio Regulation Bureau of the Ministry of Industry and Information Technology (MIIT) for approval through diplomatic channels.

Users who have obtained the Frequency License shall bring the radio stations and radio transmitting equipment to the designated inspection point for inspection before use. The inspection time and place and the way to make an appointment will be released on the official website of TWG 2025 Chengdu. For equipment inconvenient to move around, the user can make an appointment for on-site inspection. The radio stations and radio transmitting equipment that are qualified in the inspection shall be used in the venues and special control areas only when they are issued and tagged with the “Special Tag for Radio Transmitting Equipment of The World Games 2025 Chengdu”. Such stations and equipment must be operated in accordance with the area, time and technical indicators specified in the Frequency License.

7 Useful Information

7.1 Power and Sockets

The standard mains electricity supply voltage in China is 220V (50Hz), with the commonly used sockets being two-pin flat or three-pin flat.

7.2 Measurement System

China uses the metric system. Distances are measured in kilometres, with road speed limits displayed in kilometres per hour. Weight is measured in kilograms, and petrol is sold by the litre. Temperature is measured in degrees Celsius.

7.3 Emergency Help Line

Police: 110

Fire: 119

Ambulance: 120

7.4 Tipping

In China, there is no customary practice of tipping; therefore, the amount shown on the bill is the exact amount to be paid. Some restaurants may include a fixed percentage service charge on the bill.

7.5 Currency and Payment Methods

The currency of China is the Renminbi (CNY), with amount shown in yuan. Most banks in China provide foreign currency exchange services. Currency exchange machines are available on the first floor of MMC. Credit card payments are accepted in Chengdu.

7.6 Medical Services

Medical services, including on-site treatment and emergency transfer, will be provided to all accredited media at competition/non-competition venues and venues of opening and closing ceremonies during TWG 2025 Chengdu.

In the event of an accident or sudden illness requiring urgent medical assistance during TWG 2025 Chengdu, you can call China's emergency help line "120", inform the dispatcher of your accreditation category/status, precise location, and medical condition. Professional rescue personnel will respond promptly.

The hospitals for TWG 2025 Chengdu include nearby and referral hospitals. All of them have green channels and reserved beds to provide medical services for accredited persons.
